

CLEAR STYLING GEL

FEATURES & BENEFITS

Divina's Clear Styling Gel delivers a manageable medium to firm hold depending on the product amount and styling method. Use on all hair types with flexible styling options.

Our gels offer many benefits:

- Heat protection
- Shine
- Pliability with easy movement
- Frizz control
- Touchable hold
- Defines curls & coils
- Supports sleek or natural tasseled look.

Divina Products are always color safe, cruelty free, use recyclable packaging, and manufactured in the USA. Divina's Clear Styling is free from dyes, fragrance, sulfates, and parabens.

HOW TO USE:

Divina's Clear Styling Gel can be used for versatile hair styling on wet or damp hair for smoothing hair frizz and flyways to obtain a sleeker look, define curls and coils, and slicking down baby hairs. It can be used on short hair for the natural air-dry tasseled hair look.

Directions: Using your fingertips or palms of your hands, apply a small amount of gel to clean/damp hair, starting mid-shaft of the hair while staying off scalp working your way up and down the hair shaft. Blow dry style or allow to air dry.

INGREDIENTS:

AQUA, PVP, CARBOMER, GLYCERIN, DMDM HYDANTOIN, TRIETHANOLAMINE, PEG-12 DIMETHICONE, KERATIN & AMINO ACIDS, DISODIUM EDTA.
